

We are looking forward to a great Summer series this year. From June 7th to August 9th we will be exploring God's power through scientific exploration! Join us for dinner, experiments, devotional thoughts, and more this summer—and help to make it all happen! We would love to see folks take a week to study and present YOUR favorite marvels of creation. We have suggested outlines for each week's study and lots of resources for you to use! See Becca, Bob, or Nancy for details and sign up at the foyer table.

As You Wish: Learning the  
 Love Languages  
 of God

This week we begin our **Summer Science Series!** Sign up today at the foyer table if you plan to attend so that we can make sure we have plenty for all! Dinner will be served at 6, and the lesson begins at 7. This week we will be looking at “what *is science?* How the scientific method works” with Bob K. We’ll be serving up pulled chicken BBQ sandwiches, baked beans, and slaw. See you there!
