

It's a great Summer series this year. We are exploring God's power through scientific exploration! Join us for dinner, experiments, devotional thoughts, and more this summer—See Becca, Bob, or Nancy for details and sign up at the foyer table.

It was great to have Taylor Hoobler back with us this past Sunday. She's been working as a volunteer in a refugee camp in Greece for six weeks. She may have some interesting stories to share.

Also ask one of our three Wamava campers (James, Rose & Shane) how they liked their experience at camp this past week.
