

Sue Smith at the Fauquier Family Shelter is down to just two tutors, and one is struggling to make it work. Does anyone have any interest in coming once a week, on Mondays or Thursdays, from 4 – 5 pm, to provide tutoring for the children of the Shelter? It is a school term commitment as the same person, or even better a couple, teaches the same day from September through May. Maybe a local college student. This gives the children some sense of routine and stability. All school age children attend the class so it may be Kindergarten through high school. No professional teaching qualifications are needed to volunteer, just the desire to help a child with their homework and be there sometimes to just ask “how was your day?” Let the office know!

On **October 29th**, it's **Fall Festival** time. We are having a pot luck to start us off, then enjoying fall fun from 2-4! Rob and Amie Hoagland are heading up this adventure this year, and they have great ideas for our annual Trunk or Treat celebration. Sign up at the foyer table if you can decorate a trunk. Share a flyer with a friend or neighbor!

On **November 11th**, join us for **Family Night**— games, snacks, and fellowship for 'kids' of all ages. Bring friends, food, and your favorite games from 6:30-9:30!

Daniel Twentey has a son, and Chantal Lotane Proffitt has a daughter! If you would like to contribute to a gift certificate for either of these two new families, please give it to Cathy Ryon or Nancy Kolodner. We want to help them celebrate these wonderful additions to their lives. It is great to see how our church family is growing as the children that were raised here now have children of their own.

The food pantry is in need of:
Toilet paper
Small bottles of laundry soap (or a bottle of "pods" which could be bagged in smaller quantities to share with several families)
Canned pasta, such as ravioli, spaghetti, etc.
