

Sue Smith at the Fauquier Family Shelter is down to just two tutors, and one is struggling to make it work. Does anyone have any interest in coming once a week, on Mondays or Thursdays, from 4 – 5 pm, to provide tutoring for the children of the Shelter? It is a school term commitment as the same person, or even better a couple, teaches the same day from September through May. Maybe a local college student. This gives the children some sense of routine and stability. All school age children attend the class so it may be Kindergarten through high school. No professional teaching qualifications are needed to volunteer, just the desire to help a child with their homework and be there sometimes to just ask “how was your day?” Let the office know!

Fall is here, and we are planning activities to bring us together in fun and fellowship! What great opportunities to bring a friend or two!

On **October 29th**, it's **Fall Festival** time. Rob and Amie Hoagland are heading up this adventure this year, and they have great ideas for our annual Trunk or Treat celebration. We'll have a lot of fun and hopefully so will our neighbors and friends— invite them! Sign up at the foyer table if you can decorate a trunk. Stay tuned for more details.

On **November 11th**, join us for **Family Night**— games, snacks, and fellowship for 'kids' of all ages. Bring friends, food, and your favorite games from 6:30-9:30!

Sometimes you just gotta do something different. Last Friday, October 6th, we had a *great* time **camping on the grounds**— enjoying a meal, s'mores around the campfire, & playing with the kids. Taking time to be family draws us closer to each other as we live out the 'one anothers' to our families and our community. Not your usual camp-out— but one we won't forget!
