Help for Harvey victims: Churches of Christ Disaster Relief Effort immediately responds to any major disaster in the continental United States. We contact the leadership of local Churches of Christ in or near a major disaster area. If the local congregation wants to help, we send and turn over to that congregation truckloads of emergency food, personal hygiene, infant care, water, cleaning supplies, and pallets of additional basic needs, for them to distribute to the disaster victims. The best way to help Churches of Christ Disaster Relief Effort assist those in need is to donate money. We are able to stretch your donation dollar to buy 3-4 times what you could purchase at retail prices. Purchasing these items allows us to be better organized, know the inventory we have, and buy the size of items we need. We don't have to wait for donated goods to come in before we can send supplies out. To learn more or donate, please visit <http://disasterrelieffort.org/>

There is much to be learned from the early church leaders in Acts - how to share our faith, how to pray, how to stand for what we believe in the face of adversity and so much more. It is engaging stuff!

Financial Peace University is BACK!! 2:30 p.m. September 10th. If you missed last spring's class, sign up today to take advantage of this 9 week opportunity to learn about managing finances God's way. Bring a friend!
It is a great course.
