

Sue Smith at the Fauquier Family Shelter is down to just two tutors, and one is struggling to make it work. Does anyone have any interest in coming once a week, on Mondays or Thursdays, from 4 – 5 pm, to provide tutoring for the children of the Shelter? It is a school term commitment as the same person, or even better a couple, teaches the same day from September through May. Maybe a local college student. This gives the children some sense of routine and stability. All school age children attend the class so it may be Kindergarten through high school. No professional teaching qualifications are needed to volunteer, just the desire to help a child with their homework and be there sometimes to just ask “how was your day?” Let the office know!

It is great to see how our church family is growing as the children that were raised here now have children of their own. If you would like to contribute to a gift certificate for either of these two new families, please give it to Cathy Ryon or Nancy Kolodner.

Ministry Coordinators:

There will be an inaugural meeting with the elders on November 12th after worship – lunch will be provided. Please RSVP to the church office.
