

Today we will have a themed service centered around baptism. We will present information regarding the great effort that has been made to provide a baptistry for all who desire to be immersed.

A short church history on baptism will include a specific emphasis on our tradition in the Church of Christ.

Some of our family will be sharing the story of their baptism, and you are offered the opportunity to share your own reflection by writing it on the cards provided. Those cards will be shared aloud today.
